NSW STRATEGY TO REDUCE  
VIOLENCE AGAINST WOMEN

## **AGE IS NO IMMUNITY TO VIOLENCE: Forum on the Abuse of Older Women Friday 29 February 2008**

### **This forum will:**

- Bring together a range of experts who will discuss the abuse of older people, particularly with regard to older women. Information will be provided on how to recognise and respond to abuse.
- Provide an opportunity to further explore issues raised in the 2006 Symposium, 'Abuse of Older People,' including the sexual assault of older women in residential care.
- Be an opportunity to hear from the Office for Ageing with regard to NSW initiatives for responding to abuse of Older People.
- Explore issues of identification, reporting, referral pathways and support in relation to issues faced by service providers and strategies for working with older women around abuse.

**This forum will be an invaluable day for ANYONE working with older women and men.**
